

# 2019-20 Year in Review

## Virtual Learning

With a sudden closure in March, we quickly transitioned to a vibrant and robust virtual learning experience.

## STEAM Club

The Yavneh after school STEAM Club provided no-cost STEAM based activities to students and others in the community.

## Art Walk

The annual art walk was held virtually and showcased art created by students at home during the shelter in place.

## Summer Programming

Yavneh provided a range of virtual summer programming to help children stay engaged and have fun over the summer. This included art, cooking, STEAM, reading aloud and more.
