

Music by Heart is a nonprofit music-education organization based in San Francisco. We are delighted to partner with Yavneh Day School to deliver a tailored Jewish education music program that teaches music fundamentals while helping students foster their creativity and explore Jewish culture. More information about our organization can be found at [www.musicbyheart.org](http://www.musicbyheart.org).

To help Music by Heart grow, we kindly ask that you grant us permission to use images or videos of your student participating in the program by completing this media release form. As specified below, we would only use this media to promote Music by Heart, and you may opt out at any time.
